Canora Ambulance Care has exciting opportunities for **ACP, ICP, and PCP** full time, casual and part time positions for both Canora and Preeceville locations.

In the paramedic positions, your main responsibility will be to provide efficient and competent emergency and non-emergency medical assistance and treatment to a wide range of people. Canora Ambulance offers both BLS and ALS coverage to our service areas with an annual call volume of approximately 1100.

On a daily basis, some of your specific responsibilities will include:

- -Ensuring prompt, efficient and skilled care and treatment for all patients
- -Maintaining the ambulance units and medical kits, ensuring they are clean, functional, adequately stocked, easily accessible, and completion of all appropriate reports.
- -Attend community events as requested and represent Canora Ambulance in a positive and professional manner in our communities.

Successful applicants will possess:

- Current licensure with SCoP and all pertinent certificates
- Highly developed clinical and problem-solving skills
- Exceptional communicating skills
- Ability to maintain harmonious relationships within our communities and amongst staff
- You will naturally work well in a team, while supporting and adhering to the corporate values and goals.

Benefits include:

-Competitive wages

-Group Benefits

-RRSP Plan

-5/5/4 & 6/5 rotation with guaranteed hours and opportunities for additional shifts
