

Supreme Ambulance Care

Primary Care Paramedic

Full Time

Supreme Ambulance Care (1987) Ltd.

Location: Carlyle Saskatchewan

Position: Primary Care Paramedic

Closing Date: Open

Preferred Background:

Certificate or diploma as a Primary Care Paramedic from a recognized Canadian college. Candidates must be qualified to work in an ambulance in Saskatchewan as required by the Ambulance Act and should be licensed or eligible for licensure by the Saskatchewan College of Paramedics for practice in Saskatchewan. The successful candidate must also have current BLS-HCP and automated External Defibrillation as well as a current Class 4 Saskatchewan Driver's License or the ability to obtain one prior to start date. Candidates should have an acceptable driver's abstract and be free of any criminal convictions for which a pardon has not been granted. An equivalent combination of education and experience will be considered. Ability to work under stressful situations and exercise sound judgment in an emergency environment are essential. Must be able to work closely with the entire healthcare team.

Duties:

- * **Performs** primary care and under the direction of the Medical Director and Saskatchewan Health Protocols certain controlled acts as approved.
- * **Performs** both local and inter-facility transfers of the sick and injured.
- * **Ensures** security of vehicles, station, equipment/supplies and controlled drugs at all times.
- * **Ensures** safe transportation and ongoing medical care for ill and /or injured patients to and from medical facilities or required destinations.
- * **Provides** a detailed patient report to medical staff upon arrival at the receiving facility.
- * **Completes** Ambulance Patient Care Reports and other documentation as required in a timely fashion.
- * **Maintains** contact/compiles with the Regional Communications Centre at all times regarding vehicle movements, status of ambulances, call assignments and the transportation of patients to medical facilities or required destinations.
- * **Inspects** the ambulance vehicle, patient care equipment and supplies to ensure they are maintained in a clean and functional state. Complete vehicle check sheets as required.
- * **Attends** mandatory training programs and continuing education programs as required.
- * **Performs** other duties as assigned

The position is a full-time position . It requires the incumbent to cover rotations of various shifts including nights and weekends. Current wage scale is competitive with the Health Sciences contract. An extensive health benefits package and dental plan are available. Carlyle is located in South East Saskatchewan near Moose Mountain Provincial Park. In the Summer time, the area becomes home to cottagers and vacationing families who enjoy both Moose Mountain Provincial Park and the White Bear Lake Resort area. In the winter time, an abundance of snowmobiles trails and cross country ski trails keep the area busy.
