Paramedic employment opportunities:

Are you interested in the exciting career of Paramedic services?
Then the challenges and experience that are provided in the Kamsack area may be for you.

Duck Mountain Ambulance is an active and progressive rural paramedic service with an annual call volume in excess of 1200 calls annually this surely will challenge your skill level.

We service the community of Kamsack with a population of 2000 plus our geographic area includes two first nations' reserves to the north as well we provide service to the east into Manitoba. Our satellite station in Norquay provides service to its

surrounding area including a third first nation's reserve. Our other satellite station provides care in the Watson area

Our fleet consists of 4 units in Kamsack and a 5th in Norquay along with a rover vehicle, and 2 units in Watson we employ 16 full time staff and a pool of casual staff that come for a new experience. Staffing includes EMR – ACP with combined years of experience in excess of 200 years. We are settled in Kamsack modern facilities with a spacious 4 bay garage, modern living quarters, fitness equipment, training centre, modern communications and our administration offices.

The Kamsack area is set in the beautiful backdrop of the scenic Duck Mountain Provincial Park which boarders Manitoba. The area offers recreational activities that include Skiing, Fishing, Camping, Snowmobiling, Quading and Golfing. The community of Kamsack offers a golf course, Hockey arena, Curling rink, swimming pool and movie theatre, as well as seasonal activities and community events..

The Hiring process will consist of:

- Resume Review
    - Criminal records check
    - Drivers abstract
    - Reference check
- Phone / skype interview
- Personal interview
- 3 day Ride along

This is an ongoing process and is open until all positions are filled

All resumes will be kept on file for 6 months for future opportunities.
Successful applicants will be contacted.

James Pollock
