

Instructions for Accessing Online Modules

NOTE: Use only the Google Chrome browser for this training. Internet Explorer is not supported.

You can access the SHA learning platform on your computer, tablet, or smart phone using the instructions below.

After you have logged in successfully for the first time by following the instructions below, you can access this course through MyLearning in MyConnection.

Choose the option below that best corresponds with your situation:

SHA Employee

**Physician, Volunteer, PFA, Temporary
Supplemental Work Force, Re-Deployment
from Partner Organization, etc.**

SHA Employees with access to MyConnection

Note: All employees who are paid through the SHA Payroll system and have an employee number have access to MyConnection and SHA Employees should only use this method to access learning modules. If you have been hired to support the COVID-19 response (e.g., re-deployment from a partner organization, temporary supplemental workforce, etc.), do not use these instructions. Go to the next section.

IMPORTANT: It is very important that SHA employees access learning only through MyConnection because it allows for more accurate tracking of who has completed the training, which will be used for scheduling.

You may have already created an account using a personal email address for previous training. That account will remain active, but this and all future learning by SHA employees must be accessed through MyConnection.

1. [Click here](#) to go to MyConnection and log in. Be sure to use the Google Chrome browser. If you need help logging in to MyConnection, [click here](#) to access a short video with instructions.
2. Click on “MyLearning,” then click “Access MyLearning” which will launch the SHA learning platform in a new tab.
3. You will now have access to search courses to be available in your course list under “My Dashboard”.
