- Performs other duties as assigned

Benefits include:

- Extensive health benefits package including a dental plan
- SCoP license fees fully covered
- Continuous Education courses fees fully covered
- Competitive wages as well as opportunity to work overtime

Carlyle is located in the south east corner of Saskatchewan near Moose Mountain Park and White Bear Lake Resort. This area has an abundance of attractions and activities including hiking, snowmobiling, ATV trails, fishing, cross country skiing, senior hockey, senior ball, golfing, among other things. This creates a diverse and busy area to practice EMS. We look forward to hearing from you.
