Careers | PCP- Saskatchewan Canada

PRIMARY CARE PARAMEDICS, Haztech is expanding their services and they are looking for casual Paramedics in Saskatchewan to work the 2024 Industrial Season! Please note that all PCPs must be licensed.

POSITION SUMMARY Haztech has several Primary Care Paramedic Positions available. We are looking for paramedics who are willing to work in northern Saskatchewan during the 2024 Industrial Season. We would love for you to reach out to hr@haztech.com and let us know what positions interest you and where you see yourself growing in the future! You will be responsible for maintaining the integrity of the company while providing a safe and positive experience for the public. Prepare rooms and mobile treatment centre, sterile instruments, equipment, and supplies, and ensure that stock of supplies is maintained. Develop relationships and rapport with all colleagues, customers, and clients. You will exercise independence, judgment and initiative by logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems that arise. The chosen individual will perform this diverse range of activities with a focus on safety, professionalism, and teamwork.

QUALIFICATIONS, SKILLS & COMPETENCIES

- +Completion of recognized Primary Care Paramedic program & valid license in Saskatchewan
- +Ability to work autonomously and under pressure.
- +Valid class 4 driver's license
- +Professionally represent Haztech and provide exceptional service to all customers and clients.

ABOUT HAZTECH:

Haztech is a leading North American provider of professional, innovative, and tailored healthcare and technical safety services across a diverse range of sectors including Mining and Resources, Oil and Gas, Government, Defense, and the General Public. Haztech delivers robust, consolidated, and sophisticated services including onsite doctors, nurses and paramedics, remote access health centers, and health & safety programs.

Our scope of service also consists of occupational health testing, covid-19 testing, firefighting – rescue and emergency services, primary healthcare, medevac, security, safety training, and return-to-work management. We have a proven and unparalleled commitment to customer service, reliability, and efficiency with credit to our team of highly dedicated health & safety professionals.

Haztech is an equal opportunity employer and encourages applications from all qualified individuals. We thank you for your interest. Only those selected for an interview will be contacted.
Please submit your application to hr@haztech.com.
