### **Employment Opportunity**

North East EMS is looking for to hire a EMR/PCP/ICP in a permanent part time position. North East EMS is an excellent place to gain experience as a new provider, or to put your experience to great use as an experienced provider

North East EMS is offering a **signing bonus of \$2500** to a new EMR/PCP/ICP that accepts a FT or PT position and commits to at least 1 year of employment.

A part time employee with North-East EMS will often receive full time hours with most staff salaries ranging from \$80,000 – 95,0000. Staff will be paired with a co-worker ranging from PCP to ACP at one of our three bases either in Nipawin, Carrot River or Cumberland House. Each base has great accommodations that are available to staff working, free of charge. Carrot River and Cumberland House living quarters are equipped with gyms.

#### **Benefits include:**

- RRSP plan
- Group benefits
- Provides all required education and con-ed

#### **Qualifications:**

- Current PCP SCoP licence
- Current ITLS, CPR-BLS certificates
- Class 4 drivers' licence with recent drivers abstract
- Recent Criminal Record check
- Resume with 3 references

North-East EMS has the largest coverage area in all of Saskatchewan, covering more than 25000 square kms. We are an ALS service that responds to more than 4000 calls annually. We currently have 3 bases, Nipawin, Carrot River, and Cumberland House. Each base has free lodging available for staff while working, including a lounge area, a kitchen, bedrooms, gym and Wi-Fi. All our units are equipped with modern equipment, and we strive to stay current in maintaining this high standard.
