

**Saskatchewan College of Paramedics
Complaint Resolution Agreement**

BETWEEN:

Jared Isaac, Primary Care Paramedic, Registry No. 47500 (the Member)

AND:

The Professional Conduct Committee (The PCC) of The Saskatchewan College of Paramedics (The College)

Whereas the Saskatchewan College of Paramedics received a complaint on June 16, 2024, regarding Member, Jared Isaac. The concerns raised were in relation to a patient interaction on April 23, 2024, where the Member allegedly displayed a lack of appropriate assessment and treatment of the patient.

Whereas the complaint was referred to the PCC for review and investigation in accordance with subsection 27(1) of *The Paramedics Act*; and

Whereas the evidence obtained by the PCC during the investigation establishes that the Member engaged in activities which most likely constitute professional misconduct and/or professional incompetence. Specifically, the Member displayed a lack of knowledge, skill, and judgement on April 23, 2024, by failing to complete an assessment, which compromised patient safety. Consequently, the Member's assessment and treatment of the patient remain inadequate and below the expected standard.

Whereas the PCC concluded that the Member would most likely be found guilty of professional misconduct and/or professional incompetence, as these terms are defined in sections 24 and 25 of *The Paramedics Act*, on the grounds that the Member's actions compromised patient care and did not meet the expected standard of care.

Professional misconduct is conduct that is harmful to the best interests of the public; and/or the members; and/or the standing of the profession. Any conduct that is harmful to the best interests of the public; and/or the members; and/or that tends to harm the standing of the profession is professional misconduct.

Professional incompetence is conduct that includes a display of a lack of knowledge, skill or judgment to an extent that demonstrates the member may be unfit to continue in the practice of the profession; and provide services that are ordinarily delivered as part of the practice of the profession and/or a disregard for the welfare of a member of the public to the extent that a member may be unfit to continue in the practice of the profession or provide services delivered as a part of the practice of the profession.

Section 10 of the College's Regulatory Bylaws requires that every Member must comply with the Code of Professional Conduct. A breach of the Code is therefore a breach of the bylaws, and a breach of the bylaws is professional misconduct as defined in section 25 of *The Paramedics Act*; and

Whereas the PCC is of the opinion that a disciplinary hearing is not warranted in this case; and

Whereas the PCC is of the opinion that no further action with respect to the matter under investigation is warranted because the Member has cooperated throughout the course of the investigation, and the Member has consented to its resolution on the terms contained in this Agreement.

Now, therefore, the PCC and the Member agree as follows:

1. Terms and Undertakings
