

SASKATCHEWAN COLLEGE OF PARAMEDICS  
COMPLAINT RESOLUTION AGREEMENT

BETWEEN:

**Todd Sloan, PCP, Registry No. 13389 (the Member)**

AND:

**THE PROFESSIONAL CONDUCT COMMITTEE (The PCC) OF THE SASKATCHEWAN COLLEGE OF PARAMEDICS (The College)**

**Whereas** the Saskatchewan College of Paramedics received a complaint on April 18th, 2025, alleging the Member obtained equipment from the employer (Entonox machine) to administer to his spouse during a traumatic injury.

**Whereas** the complaint was referred to the PCC for review and investigation in accordance with subsection 27(1) of *The Paramedics Act*; and

**Whereas** as a result of its investigation, the PCC is of the opinion that the Member would most likely be found guilty of Professional Misconduct, as that term is defined in *section 25 of the Paramedics Act*, on the grounds that in February 2025, the Member acknowledged they obtained equipment from the employer (Entonox machine) for personal use and without seeking prior permission. The PCC also noted concerns with the Member's inconsistency in appropriate reporting, as well as unprofessional behaviour in such reporting.

The PCC concluded the Member's conduct does not meet the expected professional Standards of Practice as outlined in *sections 2, 5, and 6 of the Standards of Practice*, and therefore establishes Professional Misconduct.

Professional Misconduct is conduct that is harmful to the best interests of the public; and/or the members; and/or the standing of the profession. Any conduct that is harmful to the best interests of the public, and/or the members; and/or that tends to harm the standing of the profession is Professional Misconduct.

Professional Incompetence is conduct that includes a display of a lack of knowledge, skill or judgment to an extent that demonstrates the member may be unfit to continue in the practice of the profession; and provide services that are ordinarily delivered as part of the practice of the profession and/or a disregard for the welfare of a member of the public to the extent that a member may be unfit to continue in the practice of the profession or provide services delivered as a part of the practice of the profession.

Section 10 of the College's Regulatory Bylaws requires that every Member must comply with the Code of Professional Conduct. A breach of the Code is therefore a breach of the bylaws, and a breach of the bylaws is Professional Misconduct as defined in *section 25 of The Paramedics Act*; and

**Whereas** the PCC is of the opinion that no further action with respect to the matter under investigation is warranted because the Member and the PCC have entered into a Complaint Resolution Agreement with specified terms and undertakings, and the Member has agreed to these measures to address the conduct that led to the complaint in this matter.

**NOW, THEREFORE**, the PCC and the Member agree as follows:

**1. Terms and Undertakings**
