Are YOU Ready for a Paramedic Career Like No Other?

Do you want to elevate your skills while providing essential healthcare to remote communities? Are you looking for a role where adventure meets purpose? If you thrive in dynamic, challenging environments and want to make a meaningful impact, this is your opportunity!

At **Advanced Medical Solutions Inc. (AMS)**, our **Community Health Services Program** delivers life-saving care where it's needed most. As part of our team, you'll collaborate with healthcare professionals to support communities in the North, gaining experience that will take your career to the next level.

ABOUT US:

Advanced Medical Solutions Inc. (AMS) is a leading provider of innovative and comprehensive medical solutions, dedicated to delivering exceptional healthcare services across Canada. With five distinct service divisions—Ambulance (Air & Ground), Industrial Medical, Community Paramedicine, Training and Clinical Education, and Medical Equipment and Supply—AMS ensures clients receive tailored services to meet their specific needs. Our commitment to quality assurance, continuous improvement, and a dynamic team of healthcare professionals positions AMS as an industry leader in healthcare services.

WHY JOIN OUR TEAM?

- **Impact Lives Daily** – Provide critical care in unique and diverse environments.
- **Competitive Compensation** – Your dedication and expertise are highly valued and rewarded.
- **Fully Covered Travel & Housing** – Focus on patient care; we handle the logistics.
- **Comprehensive Health & Dental Benefits** – Ensuring you and your family are covered.
- **Group RRSP Matching** – Plan for your future while making a difference today.

- **Career Development** – Ongoing education, training, and growth opportunities.
- **Work-Life Integration** – Structured rotations allow for meaningful time off while maximizing impact.

WHAT YOU'LL DO:

As a **Community Paramedic**, you'll play a vital role in supporting healthcare teams and delivering emergency and clinical care in Northern communities. Working in collaboration with physicians, nurse practitioners, and nurses, you will provide critical medical support in challenging and rewarding settings.

KEY RESPONSIBILITIES:

- Conduct triage assessments and reassessments.
- Perform physical assessments and gather thorough patient histories.
- Manage and monitor patients within a healthcare center setting.
- Collaborate with physicians, nurse practitioners, RNs, and LPNs to enhance patient care.
- Ensure patient dignity, safety, privacy, and confidentiality at all times.
- Respond swiftly to crisis situations, seeking guidance as needed.
- Maintain accurate and thorough documentation per client policies.
- Foster a professional, collaborative work environment.
- Engage in ongoing training to keep certifications and skills current.

WHO WE'RE LOOKING FOR:

- ✓ **ACP Certification** – Valid and in good standing.
- ✓ **Valid Driver's License**
- ✓ **Current Vulnerable Sector Check** (within 90 days)
- ✓ **Current Medical and Immunization Records**

BONUS POINTS IF YOU HAVE...

- ✓ **Heart & Stroke BLS, ACLS, PALS, ITLS, CTAS, NRP certifications**
- ✓ **Experience in an interdisciplinary healthcare setting**
- ✓ **Background in community, public, and/or continuing care**

This is more than just a job – it's a calling!! Are you ready to join our mission-driven lifesaving team?
