PARAMEDIC

(PCP)

FULL TIME OR PART-TIME

WHY STRASBOURG EMS

Strasbourg EMS is more than a workplace —it's a legacy of care.

Family-owned and operated since the 1970s, and proudly led by Landon and Marj Mohr since 2005, our service was built on a simple but powerful foundation: compassionate patient care. That philosophy, first established by Marj's grandparents, continues to guide everything we do today.

We are a small, tight-knit rural service where your work matters. Here, you're not just another number on a schedule—you are a trusted clinician, a respected teammate, and an essential part of the communities you serve.

EMPLOYEE BENEFITS

- RRSP Plan
