

Kelvington Mobile Health Services

Si is est non infractus, operor non restituo is.

100 1st STREET WEST · KELVINGTON, SK · S0A 1W0 · 306-327-4233

Due to current staff advancements in education, Kelvington Mobile Health Services is currently accepting applications for EMR, PCP, ICP and ACP positions. We are willing to review applications from restricted providers awaiting COPR results or exams as well as current students.

About Kelvington MHS:

Kelvington MHS is an Advanced Care Life Support designated ambulance service. We are staffed with two full time 4x4 chassis ambulances and conduct anywhere from 800-1000 calls per year. We pride ourselves on trying to be innovators in our field and have equipped our ambulances with various equipment to improve patient care and safety. Our ambulances are equipped with veinfinder abilities, video laryngoscopy, FLIR Infrared driving cameras, power stretchers, Lifepak 35 model defibrillators and more. We also utilize an ARGO offroad recovery unit for remote service needs. We also have a staff accessible gym and staff housing accommodations are available to be discussed for applicants outside of our service area. Our shifts are an 8h core time from 0900-1700 and a 16h standby/call in format outside these hours.

About The Area:

Kelvington is located in Eastern Saskatchewan approximately 250 kilometers east of Saskatoon and 250 kilometers North of Regina. We are located right near the edge of the Porcupine Provincial Forest. For winter lovers, we have an extensive amount of snowmobile trails in the area, maintained by our local snowmobile club in addition to cross country ski trails and more. During the summer months the town has a public swimming pool, walking trails and multiple nearby lakes for fishing, boating, or camping. The town also boasts multiple local restaurants, a full time hospital with attached care home, a pharmacy, a large hunting community and Pre-K to Grade 12 schooling.

What we are looking for:

Kelvington Mobile Health services is looking to add to our staffing list with either full-time, part-time or casual options available at most provider levels. Applicants must be licensed with the Saskatchewan College of Paramedics and have the current certifications to do so. A Class 4 drivers license is also required.

What we offer:

As noted above, we have access to various types of specialized equipment to improve patient care, staff housing as well as gym access. Casual employees have the flexibility to work only when they want to with no obligation or minimum shifts required. We also offer the ability to work in an ALS service area, competitive HSAS scaled wages, company matched RRSP's, benefits packages and more!

To Apply:

Please submit a resume and cover letter application to Greg.lowey@kelvingtonmhs.ca with a subject line of "Employment Application". Any questions may also be directed to this email, or by phone at 306-327-4233. Only approved applications will be contacted for interviews. Prior to hiring, proof of certification, a drivers abstract, and a Criminal Record Check may be required.
