KPS Medic Ltd is an EMS contracting company, securing contracts requiring staffing to cover either entire services or supplement staffing shortages. We have been the successful contractor for 22 summers with Parks Canada in Prince Albert National Park. We have continued to secure another 2 years of contract and are seeking confident staff to supplement our current staffing levels.

Minimum Qualifications:

- Primary Care Paramedic or higher – Registered with the Saskatchewan College of Paramedics in good standing.
- Minimum 2 years on car EMS experience
- Class 4 Drivers with recent drivers abstract
- Experience in remote locations as asset
- Experience working in lead roles, working well independently
- Ability to obtain a clear Government of Canada, Parks Canada security clearance.

Submit the following for consideration

- Up to date resume with education and experience with 3 references for verification
- Copy of Sask drivers license and current drivers abstract
- Those considered for seasonal employment will be contacted for final security clearance prior to offer of employment.

Please submit the above to kpsmedic@gmail.com with title PANP employment, questions regarding this job posting can be addressed via email or calling Karyn at 306-961-8231.
