Staff accommodations provided

Supportive leadership & team culture with strong clinical leadership

Modern equipment & well-maintained fleet equipped with advanced medical equipment and supplies

POSITION OVERVIEW

As a member of the DMAC team, you will provide emergency and non-emergency patient care while delivering professional, compassionate service to the communities we serve.

KEY RESPONSIBILITIES

- Deliver safe, efficient, and evidence-based patient care
- Assess, treat, and transport patients in accordance with provincial standards and protocols
- Maintain ambulance readiness, equipment, and medical supplies
- Complete patient care documentation accurately and professionally
- Work collaboratively with healthcare partners, first responders, and community agencies
- Represent DMAC in a professional manner at community events and public engagements

QUALIFICATIONS

Successful applicants will possess:

- Current Saskatchewan College of Paramedics (SCoP) registration appropriate to designation (restricted licenses may be considered)
- Valid certifications relevant to scope of practice
- Class 4 or equivalent drivers license
- Strong clinical decision-making and problem-solving skills
- Excellent communication and interpersonal abilities
- Commitment to professionalism, teamwork, and patient-centred care
- Ability to work effectively in both independent and team-based environments
- Current Criminal Record Check (3 months)

WHY CHOOSE DMAC?

- Meaningful work in tight-knit communities
- Diverse and rewarding call volume
- Modern fleet and advanced equipment
- Opportunities for continuous learning and career growth
- A workplace where you are valued, respected, and supported
- Competitive compensation and comprehensive benefits
- Flexible schedules to support work-life balance

OUR COMMUNITIES

Live and work in welcoming communities that offer a high quality of life, strong recreation, and a true sense of belonging.
